

Ergonomic Products, Preferential Rates

The **University of Ottawa** has an agreement with **Grand & Toy** for the ergonomic products. All faculties and Services of The University can benefit from this agreement.

The term for the agreement will be in effect as of **November 1, 2016** and end **November 30, 2017**.

*For any evaluation, advice and order, please contact Pauline Borris, Ergonomist, Health and Wellness, Human Resources Services, at extension 1399.

Pauline will provide the available products and the price list.

Presently; for the SciQuest's users; prices are up to date. If you do not have access to SciQuest, please continue to use your Pcard. For any information on the price list and/or the contractual agreement, please contact Sid-Ahmed Bouarfa, Procurement Services, at extension 8968.
